Re: Environmental Research & Restoration, Inc.

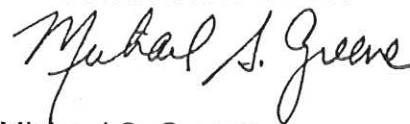

Dear Michael:

I wanted to let you know that we have worked with Maurice Baum of Environmental Research & Restoration, Inc., for many years in connection with indoor environmental matters including both mold, chemical and other issues. I have found Maurice to be highly skilled in evaluating indoor environmental conditions and providing resolutions, as well as providing expertise in connection with the negotiation and litigation arising from these types of issues. I have also found Maurice to be both fair and impartial, having represented both individuals and building owners in connection with environmental matters.

If I can provide you any additional information, please feel free to contact me.

Very truly yours,

AKERMAN SENTERFITT

Michael S. Greene
